SIKSHA 'O' ANUSANDHAN
DEEMED TO BE UNIVERSITY

Laboratory Record

Computer Networking: Concepts (CSE 3751)

Submitted by

Name: _____

Registration No.:_____

Branch:_____

Semester: _____Section:_____

Department of Computer Science & Engineering

Faculty of Engineering & Technology (ITER)

Jagamohan Nagar, Jagamara, Bhubaneswar, Odisha - 751030

Department of Computer Science & Engineering
Faculty of Engineering & Technology (ITER)

Contents

Sl. No.	Date	Title of the Experiments	Page No.	Remarks

1. Aim of the experiment
2. Objective <no.>: <objective statement>
3.Theory(if any):
    <Brief explanation>
4.Observation:
    a) <snapshot of the designed network>
    b) < snapshot of the designed network showing the packet transmission>
5.Analysis(if any): <snapshot of output(if any)>
<Repeat sl no. 1 to 4 for all the objectives>
6.Conclusion
7.<Answer to exercise questions>
